"Go Foward" Order of Today

In urging his beginative program, Governor Arthur M., Hyde, has stopped as his slogial, "Go Forward." This statement, we must confess, rings the to our idea of a progressive administration. But, the question its low far forward does the Governor wish to carry his program. We are question its low far forward does the Governor wish to carry his program. We are questionally increased, in those measures that will give this old State a "lift" from its old and time-worm place among the states

Mistaken Identity

Nistaken Identity

A few weeks age, the Associated Prass "playerd-up" a news story from Pirtsburn, Pa., about how a white woman had snapped a pixel in the face of a Augus, in a courtsoun, whom she had accused of attacking her in the house some few days previous. The story also told how spectators applicated this act on the port of the woman and urged summarily punshiment for the accused without a place or trial.

Now comes the news that shit same woman has repudated her identification of "Wilkom" mad accuses another Negro, who is under arget in Pittsburgh. Her only exvase or apology is, the is sorry the mide the mistake at first, but adding that his a guine sure it was another Negro, Joseph Thomas, who assoulted her.

This promisences indentification of Negroes has caused many to lose their lives. Had this vase here in the South a "necle-tie party" or lynching between the same that the state of the sta

Speaker UTFallon has promised to take the floor in defense of Mr. Moore's bill, that the Negroes of the State may have a chance to get the higher education in their binne state.
